AVSA Weekly Growing Tip

August 8, 2016

Greetings!

Welcome to today's Growing Tip email from the African Violet Society of America.

If you have been reading our Monday Growing Tip emails, you are experiencing just the tip of the iceberg of all that the African Violet Society of America provides to educate growers.

If you would like to learn even more, and become a part of an international African violet growing community, join AVSA. As a member, you will receive the beautiful full-color African Violet Magazine, be able to access the members' area of the AVSA website (including photos in the New Introduction Gallery), and to get discounts on AVSA products. And your membership will support the many ways that the African Violet Society of America serves the violet world- from training judges and maintaining the international registration of all African violets to sponsoring conventions and shows where friends can gather and buy more plants.
