ATTENTION EXHIBITORS — PRE-ENTRIES

Hello Exhibitor,

This year the convention Entries Committee will be doing pre-entries. Pre-entries allows the entry process to run smoother and in a more timely manner.

There will be two methods for pre-entries.

1. You can mail your entry sheet to Carol Ann Burrel at 1032 Carefree Parkway, Sebring, FL 33872, or email the form to steveandcarol@centurylink.net. Pre-entry forms must be received no later than Monday, May 15, 2017.
2. The second method of pre-entering is at convention. Exhibitors can drop off their entry sheet in the pre-entry box, which will be at the registration table. The Entries Committee will be picking up the sheets periodically on Monday and Tuesday and will be entering your entries into the computer.

If you aren't sure if some of your entries will make it, put them on the sheet anyway. It is much quicker to delete or change entries during the actual entry process than it is to enter 30 entries at crunch time.

When you arrive at the entries area on Wednesday, you will be greeted by the entry team, who will give you your entry sheet and show you where to proceed for final grooming and classification.

Thank you for your help in making convention entries run smoothly and quickly.
