### AVSA Weekly Growing Tip

February 8, 2016

#### Greetings!

Welcome to the African Violet Society of America Weekly Growing Tip email. We hope you benefit from our experience and expertise!

**....Violets are Blue & Other Colors Too!  
Here's an AVSA Valentine just for You!**

**All year long, AVSA makes it easy for you to see African violets.**

You can always find photos like this sampling at the [AVSA Photo Gallery](#) on the [AVSA Website](#).

You might also be interested in [First Class Download](#) for

[Windows](#) or [First Class for Droids](#) . This highly interactive program lists every African violet in the AVSA registry, many with photos.

And of course, you can't go wrong with subscribing to receive the [African Violet Magazine](#) six times a year.

**Happy Valentine's Day from the African Violet Society of America!**

***Do you have questions about growing violets? Respond to this email and let us know. You might find the answer featured in an upcoming Weekly Growing Tip.***

New  
at  
AVSA**

First things first... last week's email gave you incorrect dates for the writing competition for the *African Violet Magazine*. Entries will be accepted from March 1, **2016** until April 1, **2017** - one full year.

We still have a limited number of the beautiful 2016 AVSA calendars for sale. You can purchase AVSA 2016 Calendar online or by calling the AVSA office (844) 400-AVSA (2872). The cost including shipping is \$15.00.

Also, take a look at the AVSA neck wallet which is very convenient at local shows and our National Convention. You can purchase the Official AVSA Neck Wallet for \$5.00, shipping included. Does your Valentine need one of these?
