African Violet Society of America

AVSA Weekly Growing Tip

April 18, 2016

Greetings!

Welcome to today's Growing Tip email from the [African Violet Society of America](#).

There's a Secret Place on the [African Violet Society of America Website](#). What's Hidden for Members' Eyes Only???

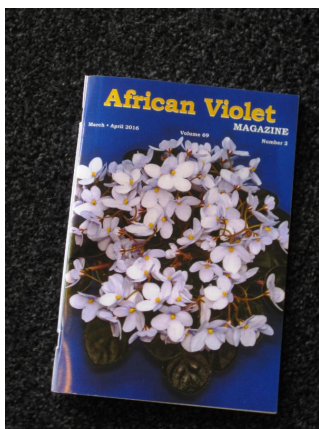

Some of that "For Members" area contains our secret stuff, like our national bylaws, names and addresses of judges, nominating forms, and guides for affiliate presidents. Maybe that's not as exciting as you hoped....

But wait... there's more. We know you love to look at photos in the [AVSA Photo Gallery](#) on the site but in the For Members section you'll also find the "[New Intro Photo Gallery](#)" of some of the most recent new varieties from top hybridizers. In addition, you'll find several useful lists which are published in the African Violet Magazine once each year, including "[Best in Show](#)" varieties, the "[Best Varieties List](#)" based on an annual membership vote, and the "[Honor Roll](#)" of those varieties which have made the list multiple times. Those lists are very useful in selecting new African violets which are proven to grow well! You'll also find the [ballot](#) so that you can vote for your favorite violets this year. There's so much more too!

[AVSA Website Home Page](#)

If you are a member of the African Violet Society of America, you were able to access those links above once you logged in. If not, you were unfortunately blocked today. But you can fix that by [joining AVSA](#) today so that you also can enjoy all the features of our website.

One last bit of helpful information: **how to log in as a member**. When you click on the "For Members" tab on the AVSA homepage, a popup will request your Username. Simply type in the word 'member' - all in lower case letters. You will also be asked for a password. That secret word may be found in the most recent copy of the African Violet Magazine which members receive 6 times a year. In every issue, the AVSA President writes a message. *The last word of the last sentence in his message is the password*. New members may ask to receive the password immediately by emailing the [AVSA Office Manager](#). Note that she is only available to share that information with you during regular business hours, Monday through Thursday from 9:00-4:00 Central Daylight Time.

Do you know someone else who would like to receive the weekly growing tip from the African Violet Society of America? All interested persons are welcome to sign up on the "Join Our Mailing List!" icon below. Subscribers are not required to be members of AVSA.

Sincerely,

Joyce Stork
